The National Advisory Board of Tarkio College has started a campaign to raise an initial \$250,000.00, which will be used to move forward with certification and beginning classes, plus it will be used as the starting block for a larger campaign to raise the funds needed to complete Phase I of our three phase fund campaign.

If you make a donation of \$5,000 or more and would like that donation to be placed in an escrow account until the school is certified please so indicate. The funds will not be used until Tarkio College is certified by the State of Missouri. If that does not occur your donation would be returned to you.
